Professional Credentials

PGA Certified Professional in Teaching & Coaching and member of the PGA of America since 2008.

Golf Magazine Top 100 Teachers to Watch (2024 – 2027)

My philosophy comes from playing many sports, playing D1 college golf, and over **24 years** of teaching golf at a high level. Each golfer can channel his or her inner athlete and former experiences to enjoy and learn this game. The tools and technology I utilize: GC Quad launch monitor and the On Form Video App

Influenced by PGA mentors Ed Ibarguen, Joe Plecker and Sports Psychologist Bhrett McCabe
